Safety Data Sheet

acc. to OSHA HCS (29CFR 1910.1200) and WHMIS 2015 Regulations

Printing date: February 05, 2019

Revision: February 05, 2019

1 Identification

· Product identifier

- · Trade name: UX II PACK-BAC
- · Other means of identification: No other identifiers
- · Recommended use and restriction on use
- Recommended use: Diagnostic testing
- · Restrictions on use: No relevant information available.
- Details of the supplier of the Safety Data Sheet
 Manufacturer/Supplier:
 SYSMEX AMERICA, Inc
 577 Aptakisic Road
 Lincolnshire, IL 60069 USA
 Phone: 847-996-4500
 1-800-3SYSMEX (1-800-379-7639)

• Emergency telephone number: ChemTel Inc. (800)255-3924 (North America) +1 (813)248-0585 (International)

2 Hazard(s) identification

· Classification of the substance or mixture

The product is not classified as hazardous according to the Globally Harmonized System (GHS).

- · Label elements
- · GHS label elements

The product is not classified as hazardous according to OSHA GHS regulations within the United States.

- Hazard pictograms: Not regulated.
- Signal word: Not regulated.
- Hazard statements: Not regulated.
- \cdot Precautionary statements: Not regulated.

· Other hazards There are no other hazards not otherwise classified that have been identified.

3 Composition/information on ingredients

· Chemical characterization: Mixtures

· Components:

5949-29-1 Citric acid monohydrate

🚯 Eye Irrit. 2A, H319

· Additional information:

For the listed ingredient(s), the identity and/or exact percentage(s) are being withheld as a trade secret. For the wording of the listed Hazard Statements, refer to section 16.

4 First-aid measures

 Description of first aid measures · After inhalation: Supply fresh air; consult doctor in case of complaints. · After skin contact: Wash with soap and water. If skin irritation is experienced, consult a doctor. · After eye contact: Remove contact lenses if worn. Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. · After swallowing: Rinse out mouth and then drink plenty of water. Do not induce vomiting; immediately call for medical help. · Most important symptoms and effects, both acute and delayed: Slight irritant effect on eves. Gastric or intestinal disorders when ingested. Nausea in case of ingestion. · Indication of any immediate medical attention and special treatment needed: No relevant information available.

5 Fire-fighting measures

- Extinguishing media
- Suitable extinguishing agents:
- The product is not flammable.
- Use fire fighting measures that suit the environment.
- For safety reasons unsuitable extinguishing agents: None.
- · Special hazards arising from the substance or mixture
- Formation of toxic gases is possible during heating or in case of fire.
- · Advice for firefighters
- · Protective equipment:

Wear self-contained respiratory protective device. Wear fully protective suit.

6 Accidental release measures

Personal precautions, protective equipment and emergency procedures
 Ensure adequate ventilation.
 For large spills, wear protective clothing.
 For large spills, use respiratory protective device against the effects of fumes/dust/aerosol.

 Environmental precautions
 Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

 Methods and material for containment and cleaning up

(Cont'd. on page 3)

Page: 3/8

(Cont'd. of page 2)

Safety Data Sheet

acc. to OSHA HCS (29CFR 1910.1200) and WHMIS 2015 Regulations

Printing date: February 05, 2019

Revision: February 05, 2019

Trade name: UX II PACK-BAC

Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust). Dispose of the collected material according to regulations.

· Reference to other sections

See Section 7 for information on safe handling.

- See Section 8 for information on personal protection equipment.
- See Section 13 for disposal information.

7 Handling and storage

· Handling

• **Precautions for safe handling:** Avoid splashes or spray in enclosed areas.

Use only in well ventilated areas.

- · Conditions for safe storage, including any incompatibilities
- Requirements to be met by storerooms and receptacles: Avoid storage near extreme heat, ignition sources or open flame. Store in cool, dry conditions in well sealed receptacles.
- Information about storage in one common storage facility: Store away from foodstuffs.
- · Specific end use(s) No relevant information available.

8 Exposure controls/personal protection

· Control parameters

· Components with limit values that require monitoring at the workplace:

The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

· Exposure controls

· General protective and hygienic measures:

The usual precautionary measures for handling chemicals should be followed.

Keep away from foodstuffs, beverages and feed.

Wash hands before breaks and at the end of work.

Avoid contact with the eyes.

Avoid breathing mist, vapors, or spray.

Avoid close or long term contact with the skin.

• Engineering controls: No relevant information available.

· Breathing equipment:

Not required under normal conditions of use. Use suitable respiratory protective device in case of insufficient ventilation. Use suitable respiratory protective device when aerosol or mist is formed. For spills, respiratory protection may be advisable.

· Protection of hands:

Wear protective gloves to handle contents of damaged or leaking units.

The glove material has to be impermeable and resistant to the product/ the substance/ the preparation.

Safety Data Sheet acc. to OSHA HCS (29CFR 1910.1200) and WHMIS 2015 Regulations

Printing date: February 05, 2019

Revision: February 05, 2019

Trade name: UX II PACK-BAC

· Eye protection:	(Cont'd. of page 3)
Safety glasses	
Follow relevant national guidelines concerning the use of protective eyewear.	
Body protection: Protective work clothing	
Protection may be required for spills.	
· Limitation and supervision of exposure into the environment No special requ	irements.
· Risk management measures No special requirements.	
9 Physical and chemical properties	

· Information on basic physical a	and chemical properties
· Appearance: Form:	Liquid
Color:	Clear
· Odor:	Odorless
· Odor threshold:	Not determined.
· pH-value at 20 °C (68 °F):	3
 Melting point/Melting range: 	Not determined.
 Boiling point/Boiling range: 	100 °C (212 °F)
· Flash point:	Not applicable.
· Flammability (solid, gaseous):	Not applicable.
· Auto-ignition temperature:	Not determined.
· Decomposition temperature:	Not determined.
· Danger of explosion:	Product does not present an explosion hazard.
· Explosion limits	
Lower:	Not determined.
Upper:	Not determined.
 Oxidizing properties: 	Non-oxidizing.
· Vapor pressure:	Not determined.
· Density:	Not determined.
Relative density:	Not determined.
 Vapor density: 	Not determined.
· Evaporation rate:	Not determined.
 Solubility in / Miscibility with 	
Water:	Fully miscible.

Partition coefficient (n-octa	nol/water): Not determined.
-------------------------------	-----------------------------

 Viscosity Dvnamic:

Kinematic:

· Other information

Not determined. Not determined. No relevant information available.

10 Stability and reactivity

- · Reactivity: No relevant information available.
- · Chemical stability:
- · Thermal decomposition / conditions to be avoided:
- No decomposition if used and stored according to specifications.
- · Possibility of hazardous reactions

Toxic fumes may be released if heated above the decomposition point. Reacts with strong oxidizing agents.

- Reacts with strong alkali.
- · Conditions to avoid Excessive heat.
- · Incompatible materials Alkalis
- Hazardous decomposition products
- Under fire conditions only:

Carbon monoxide and carbon dioxide

11 Toxicological information

- · Information on toxicological effects
- Acute toxicity: Based on available data, the classification criteria are not met.
- · LD/LC50 values that are relevant for classification: None.
- · Primary irritant effect:
- · On the skin: Based on available data, the classification criteria are not met.
- \cdot On the eye: Based on available data, the classification criteria are not met.
- · Sensitization: No sensitizing effects known.
- · IARC (International Agency for Research on Cancer):

None of the ingredients are listed.

• NTP (National Toxicology Program):

None of the ingredients are listed.

· OSHA-Ca (Occupational Safety & Health Administration):

None of the ingredients are listed.

- · Probable route(s) of exposure:
- Ingestion.

Inhalation.

Eye contact. Skin contact.

- Germ cell mutagenicity: Based on available data, the classification criteria are not met.
- Carcinogenicity: Based on available data, the classification criteria are not met.
- Reproductive toxicity: Based on available data, the classification criteria are not met.
- STOT-single exposure: Based on available data, the classification criteria are not met.
- STOT-repeated exposure: Based on available data, the classification criteria are not met.
- Aspiration hazard: Based on available data, the classification criteria are not met.

12 Ecological information

- · Toxicity
- Aquatic toxicity No relevant information available.
- · Persistence and degradability No relevant information available.
- Bioaccumulative potential: No relevant information available.
- · Mobility in soil: No relevant information available.
- · Additional ecological information
- · General notes:

Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

- · Results of PBT and vPvB assessment
- · **PBT:** Not applicable.
- · vPvB: Not applicable.
- · Other adverse effects No relevant information available.

13 Disposal considerations

Waste treatment methods

· Recommendation:

Small amounts may be diluted with plenty of water and washed away. Dispose of bigger amounts in accordance with Local Authority requirements.

The user of this material has the responsibility to dispose of unused material, residues and containers in compliance with all relevant local, state and federal laws and regulations regarding treatment, storage and disposal for hazardous and nonhazardous wastes.

· Uncleaned packagings

• Recommendation: Disposal must be made according to official regulations.

14 Transport information

· UN-Number

· DOT, ADR/RID/ADN, IMDG, IATA

Not regulated.
